Lyrics...

## I Think it Means

You say "Forget your people and your father's house",  
Yet I don't feel called to move away;  
How can I forget about the ones You love?  
Is there something else You want to say?  
When You set such challenges for me,  
What is it You're wanting me to see?

*I think it means - no one compares to You;  
I think it means - Lord there is nobody like You,  
And I will honour You, above them all.*

You tell me You're enthralled by my beauty;  
I know it's true, but it's hard to realise;  
Sometimes, the beauty that You see in me,  
I find very far from my eyes:  
When You pay such compliments to me,  
What is it You're wanting me to see?

### **Chorus**

So I pray, show me the beauty;  
Show me the things You love, so I can give You more:  
And Lord I ask, please keep me faithful,  
And I will honour You, above them all.  
O I pray, show me Your beauty;  
Show me the things that last, so I can run the race:  
And Lord I ask, please keep me focused,  
And I will honour You - honour You ...

### **Chorus (x2)**

I will honour You, above them all.

## To do Your Will

I don't know where You're taking me, o God -  
But wherever it is, I will go with joy!  
I wanna do Your work on earth -  
Giving hope and comfort to the people,  
And Your Word it leads me on.  
I don't know how You're shaping me, o God -  
But however it is, please have Your way:  
Lord, You have a plan for me;  
You run the show, You write the screenplay,  
And Your Word it leads me on.

*I ask no more than to follow You -  
To do Your will, be as one with You;*

*I want to have Your hand upon my life:  
O Father, put Your trust in me,  
Give me confidence, and set me free -  
For I'll never tire, as I try to do Your will.*

With all the things You put me through, o God,  
Your only purpose is to give me strength;  
To build me up, that I may do  
The same for others - in Your Name, Lord,  
And Your Word it leads me on.

### **Chorus**

So this I want to tell You now, o God:  
I am Yours, for You have won my heart!  
You have put Your trust in me;  
You've given me confidence and set me free,  
And Your Word it leads me on.

*I ask no more than to follow You -  
To do Your will, be as one with You;  
I want to have Your hand upon my life:  
Father, keep putting Your trust in me,  
Giving me confidence and setting me free -  
'Cos my one desire is to try to do Your will.*

Yes, Lord, my one desire is to try to do Your will.

### **You Are The Only One**

I know I find a welcome in Your presence  
You open up a pleasant land for me  
You lead me quietly beside the water  
Help me not to strive - and just be free - just be free

### **Chorus:**

You're the only One Who satisfies completely  
You're the only One Who never lets me down  
You're the only One Who to take away my sorrow  
In You I find my joy  
In You I find the strength to carry on

And when I see you're there in times of trouble  
Your loving-kindness covers me with peace  
And even then my cup is full of blessing  
Your rod and Your staff they comfort me - comfort me
